

# SUPERYACHT SERVICE

At Doyle Sailmakers, we have been building and washing superyacht sails for 30 years. We know how to extend the life and performance of superyacht sails.

Doyle Sailmakers views relationships with clients as partnerships. By forming a partnership, our purpose is not only to provide outstanding service, but to also understand, meet and exceed our clients' needs and work together to achieve their goals.

## **WORLD WIDE LOCAL SERVICE**

Our goal is to provide the best service in the industry. The best service starts with the most conveniently located superyacht lofts in the industry – with superyacht lofts located in Australia, Bermuda, Caribbean, France, Italy, Netherlands, New Zealand, Portugal, Spain, Turkey, and the United States. With more than 70 lofts around the world, the Doyle Sailmakers' service network has local resources and experienced sailmakers ready to take care of superyacht service needs promptly and expertly. Our superyacht loft locations allow us to more efficiently service sails, getting them back to you quickly and cost effectively.

## **SERVICE COMMITMENT**

At Doyle Sailmakers, we believe that a sailmaker should do more than make sails and pride ourselves on going above and beyond what is expected. We are committed to serving your needs and providing exceptional, dependable and affordable service. Contact us and we will work with you to design a service plan that suits you perfectly.

We will inspect all stitching, lamination, hardware, UV protection, and can replace suncovers, luff tapes, batten hardware, or re-cut as needed. After building the largest sails in the world, Doyle Sailmakers can accommodate whatever challenge your sails might present.

## **MINIMIZE TIME SAILS ARE OFF BOAT**

We know how important deadlines and quality of workmanship are for our customers. We realize you need to adhere to your schedule, so we will design a plan to ensure that the pickup and return of your sails is as smooth as possible and minimize the time the sails are off the boat. Doyle Sailmakers' courteous, well-trained sailmakers are ready to pick up, wash, check over and service your sails, and then return them to you in a timely manner.

## **NEW ENGLAND BOUND?**

Our 32,000 square foot loft is the largest in New England. We offer pick-up and delivery throughout New England. Our immense space allows us to more efficiently service sails, getting them back to you quickly and cost effectively. To coordinate sail service while in New England, contact Andrew Schneider: 978-740-5950, [aschneider@doylesails.com](mailto:aschneider@doylesails.com).
